(2) The portions of a Unit to be maintained, repaired and replaced by the Unit Owner at his expense shall include, but not be limited to the following items: air handling equipment for cooling and heating, service equipment, such as dishwasher, garbage disposal, trash compactor, refrigerator, oven, stove, and water heater, whether or not these items are built-in equipment, interior fixtures such as electrical and plumbing fixtures, door, window, and screen fittings and hardware, floor coverings, except the floor slab, and inside paint and other inside wall finishes. (5) To report promptly to the Association any defect or need for repairs for which the Association is responsible.

(6) An owner may enclose the balcony appurtenant to owner's Unit upon receipt of prior written consent of the Board of Directors. Approval of a balcony enclosure by the Board of Directors does not assure compliance with any building code, safety standard, or integrity of the modification.

(c) Alteration and Improvement. Except as elsewhere provided, neither a Unit Owner nor the Association shall make any alteration in the portions of a Unit that are to be

maintained by the Association, or remove any portion of them, or make any additions to them, or do anything that would jeopardize the safety or soundness of the Building, or impair any easement, without first obtaining approval in writing of owners of all Units in which the work is to be done and the approval of the board of directors of the Association. The amendment shall be executed by the Association and adopted by the Unit Owners in the manner elsewhere required for an amendment of the Declaration. Such an amendment, when recorded in the current public records of Pinellas County, Florida, shall divest the Association of title to the land and shall vest the title in the Unit Owners, without further conveyance, in the same respective undivided shares as the undivided shares in the Common Elements appurtenant to the Units owned by them.

Any land acquired by the Association that is not submitted to condominium by amendment of the Declaration may be sold, mortgaged, or otherwise disposed of by the Association after approval in writing by the owners of not less than 75% of the Units. (e) Excess Liability. In any legal action in which the Association, or its insurance carrier, may be exposed to liability in excess of the insurance coverage protecting it and the Unit Owners, the Association shall give notice of the potential exposure, within a reasonable time, to all Unit Owners who may be so exposed and they shall have the right to intervene and defend in such action.

8.3 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the amount of increase in the premium occasioned by or attributable to permissible use of a Unit for other than a residence, or misuse, occupancy, or abandonment of a Unit or its appurtenances or of the Common Elements by a Unit Owner shall be assessed against and paid by that Unit Owner. Not less than 10 days prior to the date when a premium is due, evidence of the payment shall be furnished by the Association to each mortgagee listed in the roster of mortgagees.

8.4 Association as Agent. The Association is irrevocably appointed agent for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Property, to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

8.5 Benefit of Mortgagee. Certain provisions in this Section 8 are for the benefit of mortgagees of Units. All of these provisions are covenants for the benefit of any mortgagee of a Unit and may be enforced by that mortgagee.

9 RECONSTRUCTION AND REPAIR AFTER CASUALTY.

9.1 Determination Whether to Reconstruct and Repair. Whether or not Property damaged by casualty shall be reconstructed and repaired shall be determined in the following manner:

(a) Lesser Damage. If 50% or more of the Units are found by the board of directors of the Association to be tenantable after the casualty, the damaged Property shall be reconstructed and repaired.

(b) Major Damage. If 50% or more of the Units are found by the board of directors of the Association not to be tenantable after the casualty, whether the damaged Property will be reconstructed and repaired or the Condominium terminated shall be determined in the following manner:

(1) Immediately after the determination of the amount of insurance proceeds, the Association shall give notice to all Unit Owners and mortgagees of the casualty, the extent of the damage, the estimated cost to rebuild or repair, the amount of insurance proceeds available, and the estimated amount of Assessments required to pay the excess of the cost of reconstruction and repair over the amount of insurance proceeds available.

(2) The notice shall call a meeting of Unit Owners to be held within 30 days from the mailing of the notice.

(3) If the reconstruction and repair is approved at the meeting by the owners of 75% of the Units, the damaged Property will be reconstructed and repaired, but, if not so approved, the Condominium shall be terminated without agreement as elsewhere provided.

(4) The approval of a Unit Owner may be expressed by vote or in writing filed with the Association at or prior to the meeting.

(5) The expense of this determination shall be assessed against all Unit Owners as a Common Expense.

(c) Certificate. The Insurance Trustee may rely upon a certificate of the Association made by its president to determine whether or not the damaged Property is to be reconstructed and repaired.

9.2 Report of Damage. If any part of the Property shall be damaged and insurance proceeds or other funds are paid to the Insurance Trustee on account of the damage, a report of the damage shall be submitted by the Association to the Insurance Trustee. The report shall include the following information:

(a) Date and cause of damage.

(b) Whether the damaged Property will be reconstructed and repaired or the Condominium terminated.

(c) If applicable, the name and address of all mortgagees holding mortgages on any of the damaged Property, together with sufficient data to identify the mortgagee's interest in such damaged Property.

If the damaged Property shall be reconstructed and repaired, the report shall include the following additional information:

(a) Schedule of damage for which the Association has the responsibility for reconstruction and repair, and the estimated costs of such reconstruction and repair.

(b) Whether any damaged Property for which the Association has the responsibility for reconstruction and repair includes any structural parts of a building.

(c) Schedule of damage for which Unit Owners have the responsibility for reconstruction and repair and the estimated costs of each Unit Owner for such reconstruction and repair.

9.3 Responsibility for Reconstruction and Repair. The responsibility for reconstruction and repair after casualty shall be the same as for maintenance and repair of the Property as provided in Section 5, supra.

9.4 Plans and Specifications. Any reconstruction and repair must be substantially in accordance with the Plans and Specifications; or, if not, then according to plans and specification approved by the board of directors of the Association, and, if the damaged Property is a Building, by the owners of not less than 75% of the Units in the Building and their respective mortgagees, including the owners of all Units the Plans and Specifications for which are to be altered.

9.5 Assessments; Determination of Sufficiency of Funds.

(a) Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair for which the Association is responsible, or if at any

time during that work or upon completion of the work the funds available for the payment of the costs are insufficient, Assessments shall be made by the Association against all Unit Owners in sufficient amounts to provide funds for the payment of those costs. The Assessments shall be made as for a Common Expense, except that the cost of construction, reconstruction, and repair occasioned by special improvements made at the request of the owner and not common to other Units shall be assessed to the owner of the responsible Unit.

(b) Determination of Sufficiency of Funds. If the estimated costs of reconstruction and repair for which the Association is responsible do not exceed \$10,000, the sufficiency of funds to pay the costs shall be determined by the board of directors of the Association and the sums paid upon the Assessments shall be held by the Association. If the estimated costs exceed \$10,000, the sufficiency of funds to pay the costs shall be determined by an architect qualified to practice in the State of Florida and employed by the Association to supervise the work and the sums paid upon the Assessments shall be deposited by the Association with the Insurance Trustee.

9.6 Disbursement of Funds. The funds held by the Association or by the Insurance Trustee after a casualty, which will consist of the proceeds of insurance and possibly the sums collected from Assessments against Unit Owners on account of the casualty, shall be disbursed in the following manner and order:

(a) Expense of the Trust. All expenses of the Insurance Trustee shall be first paid or appropriate provisions made for payment.

(b) Termination of the Condominium. If the Condominium is terminated, either by agreement after lesser damage or by failure of the Unit Owners to approve reconstruction and repair after major damage, the remaining funds shall be deemed to be a portion of the Property and shall be owned by the Unit Owners as tenants in common in the undivided shares in which they own the Common Elements prior to the termination. The balance of the funds shall be distributed to the beneficial owners upon demand of the Association in the amounts certified by the Association, remittances to Unit Owners and their mortgagees being made payable jointly to them.

(c) Reconstruction and Repair of Damage. If the damaged Property is reconstructed and repaired, the funds shall be disbursed in the following manner:

(1) By Association – Damages of \$10,000 or Less. If the estimated costs of reconstruction and repair that is the responsibility of the Association do not exceed \$10,000, the funds shall be disbursed in payment of these costs upon the order of the Association; provided, however, the funds shall be disbursed in the manner hereinafter provided for the reconstruction and repair of damages of more than \$10,000 if the damaged Property includes structural parts of a Building, or if requested by a mortgagee that is a beneficiary of an insurance policy, the proceeds of which are included in the funds.

(2) By Association – Damages of More than \$10,000. If the estimated costs of reconstruction and repair that is the responsibility of the Association exceed \$10,000, the funds shall be disbursed in payment of those costs in the manner required by the board of directors

of the Association; provided, however, that an architect qualified to practice in the State of Florida and employed by the Association to supervise the work shall approve all disbursements as being due and properly payable.

(3) By Unit Owners. If there is a balance of insurance proceeds after payment of costs or reconstruction and repair that is the responsibility of the Association, this balance shall be distributed to owners of damaged Units who have responsibility from reconstruction and repair of their Units. The distribution shall be in the shares that the estimated cost of reconstruction and repair of this damage in each damaged Unit bears to the total of these costs in all damaged Units; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs for reconstruction and repair for his Unit. If there is a mortgage upon a Unit, the distribution to which the Unit Owner is entitled shall be paid to the Unit Owner and the mortgagee jointly.

(4) Surplus. It shall be presumed that the first moneys disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance remaining after payment of the costs for which the funds are collected, the balance shall be distributed to the beneficial owners of the funds, remittance to Unit Owners and their mortgagees being made payable jointly to them; provided, however, that the part of a distribution to a Unit Owner that is not in excess of Assessments paid by that owner into the funds shall not be made payable to any mortgagee.

(d) Balance upon Certificates. Notwithstanding the provisions of the Declaration, the Insurance Trustee shall not be required to make a determination as to the existence of certain facts upon which the distribution of funds is conditioned. Instead, the Insurance Trustee may rely solely and without liability upon the certificate of the Association made by its president stating:

(1) Whether the damaged Property will be reconstructed and repaired or the Condominium terminated.

(2) Whether or not payments upon Assessments against Unit Owners shall be deposited with the Insurance Trustee.

(3) That sums to be paid are due and properly payable, the name of the payee, and the amount to be paid.

(4) The names of Unit Owners to receive distribution of funds and the amounts to be distributed to them; provided, however, that when a mortgagee is required by the Declaration to be named as payee of a distribution to a Unit Owner, the Insurance Trustee also shall name the mortgagee as payee of any distribution of insurance proceeds to a Unit Owner, provide that the name of the appropriate mortgagee is also included in the certificate furnished by the Association.

(e) Proviso. Provided, however, that under the following circumstances the approval of the architect elsewhere required shall be first obtained by the Association prior to disbursements in payment of costs of reconstruction and repair

(1) When the report of damage shows that the damaged Property includes structural parts of a Building.

(2) When the report of damage shows that the estimated costs of reconstruction and repair that is the responsibility of the Association exceed \$10,000.

(3) If required by the Association or by a mortgagee that is a beneficiary of an insurance policy the proceeds of which are included in the funds to be disbursed.

9.7 Benefits of Mortgagees. Certain provisions in this Section 9 are for the benefit of mortgagees of Units. All of these provisions are covenants for the benefit of any mortgagee of a Unit and may be enforced by the mortgagee.

9.8 Adjustment of Amount. The amount of \$10,000 stated in this section shall be adjusted on July 1, 1990, so that the adjusted amount will have the same purchasing power in the months of January, February, and March, 1990, as the amount applicable in the preceding year has in the months of January, February, and March, 1990; and this adjusted amount shall be further adjusted on July 1, 2000, and on July 1 of each 10th year thereafter so that the adjusted amount will have the same purchasing power in the months of January, February, and March in the year of the adjustment as the amount applicable in the preceding year has in the months of January, February and March of the latest prior year. The number of which is divisible by 10. The purchasing power of the amount shall be measured by the average of the index numbers of retail commodity prices for the months indicated. The adjusted amount shall be computed by multiplying the amount applicable in the preceding year by the designated average of index numbers for the year of adjustment, and by dividing the result by the designated average of index numbers for the latest prior year, the number of which is divisible by 10, except that in the adjustment on July 1, 1990, the divisor shall be the designated average of index numbers for 1980. The index numbers to be employed are the index numbers of retail commodity prices designated "CONSUMER PRICE INDEX - U.S. CITY AVERAGE, ALL ITEMS" prepared by the Bureau of Labor Statistics of the U.S. Department of Labor, provided that the index in the controlling year and the index in the year of adjustment shall be constructed upon the same base. Any publication by either the U.S. Department of Labor or the U.S. Department of Commerce in which those index numbers are published shall be admissible in evidence in any legal or judicial proceeding involving the adjustment without further proof of authenticity. In the event the U.S. Department of Labor ceases to prepare and so publish those retail commodity index numbers, the adjustment of amounts thereafter shall be according to the most closely comparable commodity index designated by the U.S. Department of Labor; and if it is not designated by that department, then the most closely comparable index as determined by the board of directors of the Association.

10 CONDEMNATION.

10.1 Deposit of Awards with Insurance Trustee. The taking of Property by condemnation shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee; and in the event of failure to do so, in the discretion of the board of directors of the Association, a special Assessment shall be made against a defaulting Unit

Owner in the amount of his award, or the amount of that award shall be set off against the sums hereafter made payable to that owner.

10.2 Determination of Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged Property will be reconstructed and repaired after a casualty. For this purpose, the taking by condemnation, shall be deemed to be a casualty.

10.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and special Assessments will be deemed to be Property and shall be owned and distributed in the manner provided for insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced, the owners of condemned Units will be made whole and the Property damaged by the taking will be made useable in the manner provided, infra. The proceeds of the awards and special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee after a casualty.

10.4 Unit Reduced but Tenatable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made tenatable, the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be effected in the Condominium:

(a) Restoration of Unit. The Unit shall be made tenatable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be assessed against the owner of the Unit.

(b) Distribution of Surplus. The balance of the award, if any, shall be disbursed to the owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the owner and mortgagees.

(c) Adjustment of Shares and Liability for Common Expenses. If the floor area of the Unit is reduced by the taking, the number representing the Share and the liability for Common Expenses appurtenant to the Unit shall be reduced in the proportion by which the floor area of the Unit is reduced by the taking, and then the Shares and liability for Common Expenses of all Unit Owners shall be restated as percentages of the total of the numbers representing their original Shares as reduced by the taking so as to reflect the necessary adjustments.

10.5 Unit Made Untenatable. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made tenatable, the award for the taking of the Unit shall be used for the following purposes in the indicated order and the following changes shall be affected in the Condominium:

(a) Payment of Award. The market value of the Unit immediately prior to the taking shall be paid to the owner of a Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the owner and mortgagees.

(b) Additions to Common Elements. The remaining portion of the Unit, if any, shall become a part of the Common Elements and shall be placed in condition for use by all of the

Unit Owners in the manner provided by the board of directors of the Association; provided that if the cost of the work shall exceed the balance of the fund from the award for the taking, the work shall be approved in the manner elsewhere required for further improvement of the Common Elements.

(c) Adjustment of Shares and Liability for Common Expenses. The Shares and liabilities for Common Expenses appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the ownership of the Common Elements, Common Surplus, and the liability for the Common Expenses among the reduced number of Unit Owners. This shall be done by restating the Shares and liability for Common Expenses of continuing Unit Owners as percentages of the total of the numbers representing the Shares of these owners as they exist prior to the adjustment so as to reflect the necessary adjustment.

(d) Assessments. If the amount of the award for the taking is not sufficient to pay the market value of the condemned Unit to the owner and to recondition the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for those purposes shall be raised by Assessment against all of the Unit Owners who will continue as owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the Shares of those owners after the changes effected by the taking.

(e) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within 30 days after notice by either party, the value shall be determined by arbitration in accordance with the ten existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction. The cost of arbitration proceedings shall be assessed against all Unit Owners as a Common Expense in proportion to the Shares of the owners as they exist prior to the changes effected by the taking.

10.6 Taking of Common Elements. Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the board of directors of the Association; provided, that if the cost of the work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for further improvement of the Common Elements. The balance of the awards for the taking of the Common Elements, if any, shall be distributed to the Unit Owners in the shares after adjustment of these Shares on account of the condemnation, if any such adjustment is required pursuant to Section 10.4 and Section 10.5, supra. If there is a mortgagee of a Unit, the distribution shall be paid jointly to the owner and mortgagees of the Unit.

10.7 Amendment of Declaration. The changes in Units in the Common Elements and in the ownership of the Common Elements that are effected by condemnation shall be evidenced by an amendment of the Declaration that need be approved only by a majority of all of the directors of the Association.

(a) Notice to Association.

(1) Sale. A Unit Owner intending to make a bona fide sale of a Unit or any interest in it shall give to the Association notice of that intention, together with the name and address of the intended purchaser, a completed application and consent to a background check and such other information concerning the intended purchaser as the Association may reasonable require. The certificate shall be recorded in the public records of Pinellas County, Florida, at the expense of the purchaser.

If approved, the approval shall be stated in a certificate executed by the president of the Association in recordable form, which, at the election of the Association, shall be delivered to the lessee or may be recorded in the public records of Pinellas County, Florida, at the expense of the lessee. Any such approved lease must be in writing, must provide that the Unit may not be sublet or the lessee's interest therein assigned without the prior approval of the Association, shall provide that the lessee thereunder shall comply with all of the applicable terms and conditions of the Declaration and the Regulations, and shall expressly provide that should the lessee fail to comply with such covenants (which covenants expressly shall state that they are for the benefit of the Association), then the Association shall have the right to cancel and terminate such lease without any obligation by the Association to the Unit Owner, and in such action, the Association shall be deemed to be the agent and attorney-in-fact for the Unit Owner, fully authorized and empowered to take any and all steps as may be reasonably necessary in order to effect the cancellation and termination of such lease at the expense of the Unit Owner.

(3) Gift, Devise or Inheritance; Other Transfers. If approved, the approval shall be stated in a certificate executed by the president of the Association in recordable form. The certificate shall be recorded in the public records of Pinellas County, Florida, at the expense of the Unit Owner.

12.3 Disapproval by the Association. If the Association shall disapprove a transfer or ownership of a Unit, the matter shall be treated in the following manner:

(a) Sale. If the proposed transaction is a sale and if the notice of sale given by the Unit Owner shall so demand, then within 30 days after receipt of the notice and other required information, the Association shall deliver or mail by certified mail to the Unit Owner an agreement signed by a purchaser approved by the Association or by the Association itself and obligating the purchaser thereunder to buy the Unit upon the terms hereafter stated. The seller shall be obligated to sell the Unit to the purchaser upon the following terms:

(1) At the option of the purchaser to be stated in the agreement, the price to be paid for the Unit shall be that stated in the disapproved contract to sell or shall be the fair market value determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit, and a judgment of specific performance of the sale upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(2) The purchase price shall be paid in cash or upon terms approved by the seller.

(3) The sale shall be closed within 30 days after the delivery or mailing of the agreement to purchase, or within 10 days after the determination of the sales price if it is by arbitration, whichever is the later.

(4) A certificate of the Association executed by its president and approving the purchaser shall be recorded in the public records of Pinellas County, Florida, at the expense of the purchaser.

(5) If the Association shall fail to provide a purchaser upon the demand of the Unit Owner in the manner provided, or if a purchaser furnished by the Association shall default in his agreement to purchase, then notwithstanding the disapproval, the proposed transaction shall be deemed to have been approved and the Association shall furnish a certificate of approval as elsewhere provided. The certificate shall be recorded in the public records of Pinellas County, Florida, at the expense of the purchaser.

(b) Lease. If the proposed transaction is a lease for a period of time or term of 12 months or more, the lease shall not be made. Any attempted lease which is not approved by the Association shall be void.

(c) Gifts, Devise or Inheritance; Other Transfers. If the notice is of a proposed gift, the Unit Owner shall be advised in writing of the disapproval and the gift shall not be made. Any attempted gift to a party who is not approved by the Association shall be void. If the Unit Owner giving notice has acquired his title b gift, devise or inheritance, or in any other manner, then within 30 days after receipt from the Unit Owner of the notice and information required to be furnished, the Association shall deliver or mail by certified mail to the Unit Owner an agreement signed by a purchaser approved by the Association and obligating the purchaser to buy the Unit upon the terms hereafter stated. The seller shall be obligated to sell the Unit to the purchaser upon the following:

(1) The sale price shall be the fair market value determined by the agreement between the seller and purchaser within 30 days from the delivery or mailing of the agreement. In the absence of agreement as to price, the price shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment of specific performance of the sale upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(2) The purchase price shall be paid in cash or upon terms approved by the seller.

(3) The sale shall be closed within 10 days following the determination of the sale price.

(4) A certificate of the Association executed by its president and approving the purchase shall be recorded in the public records of Pinellas County, Florida, at the expense of the purchaser.

(5) If the Association shall fail to provide a purchaser in the manner provided, or if a purchaser furnished by the Association shall default in his agreement to purchase, then notwithstanding the disapproval, the ownership shall be deemed to have been approved and the Association shall furnish a certificate of approval as elsewhere provided. The certificate shall be recorded in the public records of Pinellas County, Florida, at the expense of the Unit Owner.

12.4 Mortgage. No Unit Owner may mortgage a Unit nor any interest in it without the approval of the Association, except to an Institutional Lender or to a vendor, to secure a portion or all of the purchase price. The approval of any other mortgagee may be upon conditions determined by the Association or may be arbitrarily withheld.

12.5 Exceptions. The foregoing provisions of this Section 12 shall not apply to:

(a) a transfer to or purchase by an Institutional Lender that acquires its title as a result of owning a mortgage upon the Unit concerned, whether the title is acquired by deed from the mortgagor, his successors or assigns, or through foreclosure proceedings;

(b) a transfer, sale, or lease by an Institutional Lender that so acquire its title;

(c) a transfer to a purchaser who acquires the title to a Unit at a duly advertised public sale with open bidding that is provided by law, such as but not limited to execution sale, foreclosure sale, judicial sale, or tax sale;

(d) a mortgage or transfer to or a purchase or other acquisition by Developer;

(e) a sale, lease, mortgage, or other transfer by Developer;

(f) a gift, devise, or inheritance within an immediate family.

12.6 Unauthorized Transactions. Any sale, mortgage, lease, or assignment of lease that is not authorized pursuant to the terms of this Declaration shall be void unless subsequently approved by the Association.

13 COMPLIANCE AND DEFAULT. Each Unit Owner and the Association shall be governed by and shall comply with the terms of this Declaration, the Articles of Incorporation of the Association and the By-Laws, and the Regulations, all as may be amended from time to time. The Association and Unit Owners shall be entitled to the following relief in addition to the remedies provided in the Act:

13.1 Negligence. A Unit Owner shall be liable for the expenses of any maintenance, repair, or replacement made necessary, by his negligence or by that of any member of his family or his or their guests, employees, agents, or lessees, but only to the extent that the expense is not met by the proceeds of insurance carried by the Association.

13.2 Costs and Attorney's Fees. In any proceeding arising because of an alleged failure of a Unit Owner or the Association to comply with the requirements of the Act, the Declaration, the Articles of Incorporation of the Association, the By-Laws, or the Regulations, all as may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceedings and such reasonable attorney's fees as may be awarded by the court, including appellate attorneys' fees.

13.3 No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction, or other provision of the Act, the Declaration, the Articles of Incorporation of the Association, the By-Laws, or the Regulations shall not constitute a waiver of the right to do so thereafter.

14 AMENDMENTS. Except as elsewhere provided, the Declaration may be amended in the following manner:

14.1 Notices. Notices of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

14.2 Adoption. A resolution for the adoption of a proposed amendment may be proposed by either the board of directors of the Association or by the members at a meeting called for this purpose. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, providing that the approval is delivered to the secretary at or prior to the meeting. Except as elsewhere provided, the approvals must be by not less than 75% of the votes cast by the members in person or by proxy.

14.3 Proviso. Provided, however, that no amendment shall discriminate against any Unit Owner nor against any Unit or class or group of Units, unless the Unit Owners so affected shall consent, and no amendment shall change any Unit nor decrease the share in the Common Elements appurtenant to it, nor increase the owner's share of the Common Expenses, unless the record owner of the Unit concerned and all record owners of mortgages on that Unit shall join in the execution of the amendment. Provided, further, however, that neither shall an amendment make any changes to Section 8, 9, and 10, supra, and to Section 16, infra, unless the record owners of all mortgages upon the Condominium shall sign in the execution of the amendment and provided

further, that no amendment shall affect the various rights of Developer reserved herein without Developer's consent.

14.4 Execution and Recording. An amendment adopted in any manner shall be evidenced by attaching a copy of the amendment to a certificate certifying that the amendment was duly adopted, which certificate shall be executed by the officers of the Association with the formalities required of a deed. The amendment shall be effective when the certificate and copy of the amendment are recorded in the public records of Pinellas County, Florida. If the amendment is to correct the Declaration so that the total of the undivided shares of Unit Owners in either the Common Elements, Common Surplus, or Common Expenses shall equal 100%, or so as to assign an appropriate undivided share in the Common Elements to a Unit, the owners of the Units and the owners of mortgages on the Units for which modifications in the shares are being made also shall execute the certificates.

15 TERMINATION. The Condominium may be terminated in the following ways, in addition to the manner provided by the Act:

15.1 Destruction. If it is determined in the manner elsewhere provided that the Buildings shall not be reconstructed because of major damage, the Condominium plan of ownership will be terminated thereby automatically and without agreement.

15.2 Agreement. The Condominium may be terminated by approval in writing by all record owners of Units and all record owners of mortgages on Units.

15.3 Approval and Options to Purchase. If the proposed termination is submitted to a meeting of the members of the Association and the notice of the meeting gives notice of the proposed termination, and if approvals by owners of not less than 75% of the Units and by the record owners of all mortgages upon the approving Units are obtained in writing not later than 30 days after the date of that meeting, then the approving Unit Owners shall have an option to buy all of the Units of the other Unit Owners for the period ending on the 60th day after the date of that meeting. Approvals of the termination shall be irrevocable until the expiration of the option and if the option is exercised, the approvals shall be irrevocable. The option shall be upon the following terms:

(a) Exercise of Option. The option granted herein shall be exercised in the following manner:

(1) A party desiring to exercise the option granted herein shall execute and deliver to the Association two counterparts of an agreement in a form supplied by the Association, agreeing to purchase the Units desired by him upon the terms hereafter stated. Any such agreement adopted and signed by the seller may be conditioned upon the termination of the Condominium. If the agreement is not signed by the seller, it shall be deemed to be and remain an offer to purchase. If more than one offer is made for the purchase of the same Unit, the Unit will be sold under the first offer received by the Association, which offer shall be irrevocable and shall constitute an agreement to purchase conditioned upon the exercise of the option to purchase all of the Units, and the termination of the Condominium.

(2) The option granted herein shall be deemed to be exercised if the Association receives within the time stated contracts or offers for the purchase of all of the Units owned by the Unit Owners who do not approve the termination.

(3) The exercise of the option granted herein shall be evidenced by the certificate of the Association executed by its president stating that all of the Units owned by the Unit Owners who do not approve the termination have been purchased and identifying the purchasers and the Units purchased by them. A copy of the certificate shall be delivered or mailed by certified mail, return receipt requested, to each record owner of the Units being purchased, together with an executed counterpart of the agreement or offer to purchase each Unit owned by the person receiving the certificate.

(b) Price. The sale price of a Unit sold under an agreement signed by the seller shall be the price stated in the agreement. The sale price of a Unit sold under an offer to purchase shall be the fair market value determined by agreement between the seller and purchaser within 30 days from the delivery or mailing of the agreement to the seller. In the absence of agreement as to price, the price shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment of specific performance of the sale upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.

(c) Payment. The purchase price shall be paid in cash or upon terms approved by the seller and the Association.

(d) Closing. The sale shall be closed within 10 days following the determination of the sale price or within 60 days after the exercise of the option, whichever shall last occur.

(e) Termination. The closing of the purchase of all of the Units subject to the option granted herein shall effect a termination of the Condominium without further act, except the filing of the certificate hereafter required.

(f) Failure to Purchase. If the option to purchase all of the Units owned by Unit Owners who do not approve the termination of the Condominium is not exercised, and if all of the sales under the option are not closed within a reasonable time after the closing date provided above, the proposed termination of the Condominium shall fail. The failure shall be evidenced by a certificate of the Association and thereafter, the offers and agreements to purchase under this provision that have not resulted in closed sales shall be deemed to be null and void.

15.4 Certificates. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by its president, certifying as to the facts effecting the termination, which certificate shall become effective upon being recorded in the public records of Pinellas County, Florida.

15.5 Shares of Owners after Termination. After termination of the Condominium, Unit Owners shall own the Property and all assets of the Association as tenants in common in undivided

shares and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the Unit Owners. The respective undivided shares of the Unit Owners shall be the same as the undivided shares of the Common Elements appurtenant to the owners' Units prior to the termination.

15.6 Amendment. This section concerning termination cannot be amended without consent of all Unit Owners and of all record owners of mortgages upon the Units.

16 LIENS.

16.1 Protection of Property. All liens against any Unit, other than permitted mortgages, taxes, or special assessments, will be satisfied or otherwise removed within 30 days from the date the lien attaches. All taxes and special assessments upon a Unit shall be paid before becoming delinquent.

16.2 Notice of Lien. A Unit Owner shall give notice to the Association of every lien upon his Unit, other than permitted mortgages, taxes, and special assessments, within 5 days after the attaching of the lien.

16.3 Notice of Suit. A Unit Owner shall give notice to the Association of every suit or other proceeding which will or may affect the title to his Unit or any other part of the Property, such notice to be given within 5 days after the Unit Owner receives notice thereof.

17 MISCELLANEOUS. The following miscellaneous provisions shall be applicable:

17.1 Covenants Running with the Land. All provisions of the Condominium Documents shall be construed to be covenants running with the Property and with every part thereof and interest therein, including, but not limited to, every Unit and the appurtenances thereto, and every Unit Owner and claimant of the Property or any part thereof or interest therein, and his heirs, executors, administrators, personal representatives, successors, and assigns shall be bound by all of the provisions of the Condominium Documents.

17.2 Rights of Developer Assignable. All rights in favor of Developer reserved in the Condominium Documents are freely transferrable and assignable, in whole or in part, by Developer and may be freely exercised or enforced by the assignee, transferee, or successor in interest of Developer, including, but not limited to, the purchaser of Developer's interest at a foreclosure sale, or the entity into which Developer may be merged.

17.3 Severability. The invalidity, in whole or in part, of any covenant or restriction, or any section, subsection, sentence, clause, phrase, or word, or other provision of the Declaration, the Articles of Incorporation of the Association, the By-Laws and the Regulations shall not affect the validity of the remaining portions.

17.4 Notices. Unless otherwise specifically provided for herein, all notices referred to or required herein must be given in writing by certified mail. Such notices shall be deemed given for purposes hereof when postmarked and when addressed as follows:

(a) As to Unit Owners and Holders of Mortgages on Units (Including Institutional Lenders). To the address reflected on the rosters and other records maintained by the Association.

(b) As to the Association. To the office maintained at the Condominium.

17.5 Paragraph Headings. The paragraph headings contained in the Declaration are for reference purposes only and shall not in any way affect the meaning, content, or interpretation hereof.

17.6 Time of Essence. Time is of the essence of the Declaration.

17.7 Construction.

(a) The provisions of the Declaration shall be liberally construed so as to effectuate its purpose of creating a uniform plan of Condominium ownership.

(b) The Declaration shall be construed under the laws of the State of Florida, regardless of where it may have been executed or delivered.

(c) Whenever the context requires or permits, the use of the plural shall include the singular, the singular, the plural, and the use of any gender shall be deemed to include all genders.
